Easement for Underground Service Installation

Rice Lake Utilities requires that with all Underground Service Installations an Underground Easement form be signed and on file with the Rice Lake Utilities Office prior to the service being installed or energized.

The following is the required information needed. Please fill out and “sign” in the designated area and ‘return form’ to our office as soon as possible to process.

Rice Lake Utilities, hereinafter, called “RLU” is installing Underground Electric Service to:

Customer Name: _____
Service Address: _____

1. The Customer hereby grants RLU the right and easement to install, operate, and maintain its underground facilities on the property described above.
2. The Customer also agrees that, prior to RLU’s starting work:
 - a.) the route for RLU Underground Electric Installation shall be accessible to RLU or its contractors personnel and equipment;
 - b.) all obstructions shall be removed from established route at no cost or expense to RLU;
 - c.) ground elevation along the route shall not vary by more than 4” from finished grade;
3. Easements granting right-of-way, as designated by the RLU, must be furnished at no expense to RLU. Such right-of-way shall be cleared of trees and other obstructions to a minimum width of 10’ at no expense to RLU. No structure or trees shall be placed on established right-of-way. However, right-of-way may be used for gardens and other purposes, which will not interfere with maintenance and replacement of the electrical facilities.
4. LEGAL DESCRIPTION OF LOT: _____

5. The underground facilities installed by RLU, shall be the property of RLU unless otherwise stated and any payments made by the customer, or his contractor, shall not entitle him/her to any ownership, interest, or rights therein.
6. The customer agrees to pay the cost of relocating any portion of said underground facilities made to accommodate his needs or required because of his altering the grade.
